

TRIBAL RELATIONS

We must respect and honor our Indigenous communities.

- **Honor Treaties.**

- » Our state is operating on stolen lands and our relationships with our Indigenous communities must be respected and honored.

- » We cannot stand by when businesses and corporations try to loophole their way around our treaties.

- » Our campaign supports House Bill 4046 and House Bill 4047. We will submit a letter to the Oregon Gaming Commission calling out the exploitation of our tribal lands.

- **Collaboration between the state government and our tribes.**

- » Our tribes are sovereign nations and we must honor their sovereignty. The state government should be readily available for assisting our tribes because this land was their land. The state government cannot disregard our treaties and make our processes for accessing funding or assistance complicated or offensive.

- **Fund confidential and culturally-appropriate domestic, dating, and sexual violence programs for Indigenous Peoples.**
